

# Pharmacy update

September 2026

NATIONAL EDITION

## **REMINDER: Direct Billing Available for Eligible Ostomy Supplies**

As a reminder, pharmacies may submit eligible claims through their regular pharmacy claims system, in one of the following ways:

- Where provincial adjudication guidelines and assigned provincial PINs are available, pharmacies should use the provincial PIN.
- If no provincial PIN available, refer to the [Frequently Used PINs for Billing Purposes](#) resource posted on [providerConnect™](#).
