Betcha didn't know:

- Your banking information is always secure...guaranteed.
- Funds are never withdrawn from your account.
- Work in multiple locations? You can receive separate payments for each office you practice in.
- You can sign up once and all participating providerConnect® carrier payments will come to you via direct deposit.
- Your statements stay exactly the same and can be viewed or printed online.

## Get paid faster!

Dental claim payments will be made monthly (about every four weeks). Payments via direct deposit are on a bi-weekly schedule (every two weeks) – see page 1. If you do not want to wait a month to receive payment (can't say we blame you), might we suggest a little thing called Direct Deposit? Direct Deposit means getting your money back faster (every two weeks versus every four weeks via cheque). It also means not having to wait in line at the bank, leaving you with more time to enjoy the things you love (an all-around win-win if you ask us). Not convinced Direct Deposit is for you?
