

## DRUG SPECIAL AUTHORIZATION REQUEST FORM, PREFERRED PHARMACY NETWORK, AND ADHERENCE SUPPORT PROGRAM INFORMATION

### COMPLETING YOUR FORM...

To ensure prompt processing of your request, please complete the following Special Authorization Request Form in full. Note that there are sections that must be completed by you, the patient, and sections that must be completed by **your prescriber**. Once completed, submit the form to Green Shield Canada (GSC) via your method of choice:

**By email:**      [drugspecial.autho@greenshield.ca](mailto:drugspecial.autho@greenshield.ca)

**By fax:**        1.866.797.6483

**By mail:**      Green Shield Canada, Drug Special Authorization Department  
P.O. Box 1606, Windsor ON N9A 6W1

### Note that submission of an incomplete form may result in delays.

Your request will be reviewed and evaluated by our Drug Special Authorization Department who will share the results with you. Should you have any questions, call GSC's Contact Centre at 1.888.711.1119.

### OTHER DRUG COVERAGE...

If you are eligible for coverage by another plan (public or private), indicate that in Section 1B of the authorization form.

If you have provincial drug coverage, please ensure that your prescriber has applied for coverage under your primary provincial drug plan. The result of that application must be attached to the completed Special Authorization Request Form.

### PREFERRED PHARMACY NETWORK (PPN)

If your request for coverage is approved, you may be required to obtain your special authorization drug at an approved pharmacy. If this applies to your benefits plan, a care coordinator working on behalf of GSC will contact you to help you find an approved pharmacy near you. The care coordinator will also work with you and your physician to arrange to have your prescription sent to the pharmacy you select.

Should you choose not to speak with the care coordinator, and you obtain your special authorization drug at an unapproved pharmacy, your claim may not be paid under your benefits plan.

### ADHERENCE SUPPORT PROGRAM

Some drug treatment plans are complicated, and patients can sometimes find it difficult to follow their prescriber's instructions when taking their medication. If your special authorization drug is approved, you may be eligible for adherence support services. A medication management specialist can work with you to ensure that you have the support necessary to take your medication as instructed and adhere to your drug treatment plan.
